WHAT WE DO

We want you to have the best day possible! With the \$4,000 we will help to set up the space and make sure your vision comes to life. The week before your big day we will have you come in for a walk through to make sure everything is laid out correctly in the space.

MORE DETAILS

At Coastal we have a variety of furniture & props you are more than welcome to use. We also do not require you to use any specific vendors. You can use whatever caterer, band, or vendor you would like for your special day. We are a very flexible venue and staff that is dedicated to making your day as special as possible.

THE PROCESS

- After you have reached out to us for more information someone will connect with you to set up a walkthrough & a phone call.
- After you have seen the space and given us details about your special day we will create a proposal that breaks down what everything will cost.
- After you have reviewed the proposal we will send you a contract & invoice. Once the contract and first half of the invoice are paid your date and time will be locked in!

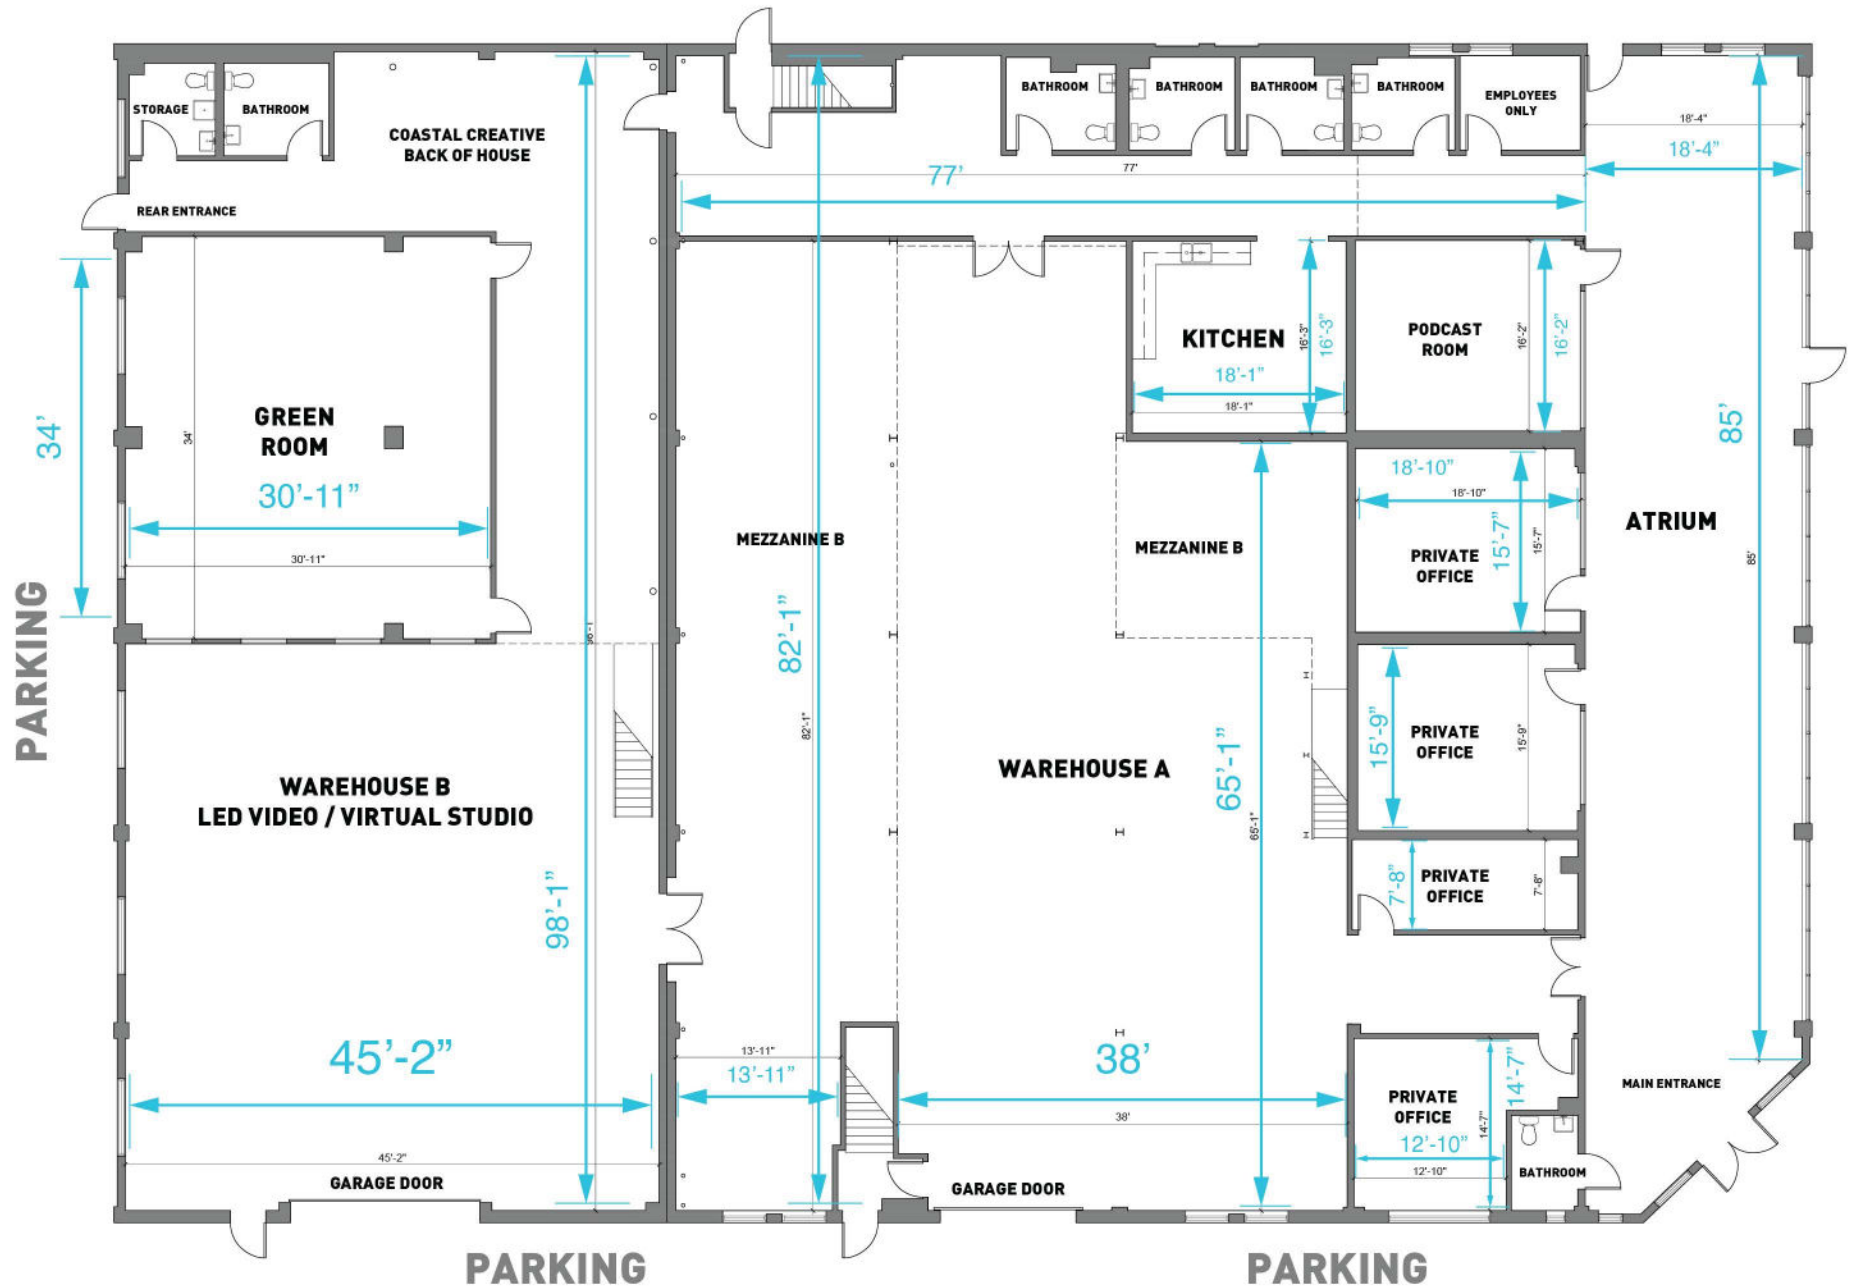

It's that simple!
